Attn: Mr. Donald W. Daniels

Dear Mr. Daniels:

Cotter Corporation submits herewith MR Form 3 and the attached map. This information is supplemented by my letter to you dated December 29, 1978.

As I stated in the December 29 letter, and in response to item (2) on MR 3, Cotter Corporation has performed no surface reclamation work. This is due to the fact that all areas of affected land will be required to conduct mining operations for the duration of the mine life.

If you have any questions regarding this letter, don't hesitate to contact me.

Sincerely,

COTTER CORPORATION

Tim Smith
Supervising Environmental
Engineer
